Kinsmen Donate \$10,000 Towards Building Memorial Centre

The Kinsmen Club met this week, and officially passed a motion to donate \$10,000 towards the New Memorial Centre, which is expected to be built this year, here in Minden.

This will be one of the Minden Club's Golden Anniversary of Kinsmen in Canada projects.

At this same meeting the Kinsmen passed a motion, donating \$200.00 towards Minor Hockey in Minden.

1970 marks the 50th Birthday of Kinsmen Clubs across Canada, which were organized by founder Hal Rogers in the city of Hamilton.

It was the clubs feeling that these large donations were a good project to celebrate this special year. Their motto has been, A service club's greatest need is a Community project. It was strongly felt by all members that the community's greatest need at this time in Minden, was the new Memorial Centre.

MINDEN FIGURE SKATING CLUB PREPARING FOR "DISNEYLAND ICE SPECTACULAR"

The Minden Figure Skating Club have started planning for their Ice Carnival which will be held March 7th., in the Minden arena.

The Club has been receiving instructions from Mr. Guy Gordon of Bobcaygeon. Mr. Gordon has been also preparing them for their tests under the C.F.S.A. to be held in Haliburton, Saturday, February 28th. The members will be holding a lucky draw to help raise funds and it is hoped that everyone will buy a ticket and support this organization.

The theme for this years carnival will be "Disneyland Ice Spectacular and promises to be one of the best carnivals yet.

The beginners will be skating Thursday mornings from 10:30 to 11:30 starting this Thursday.

CARNIVAL QUEEN RECEIVES FLOWERS

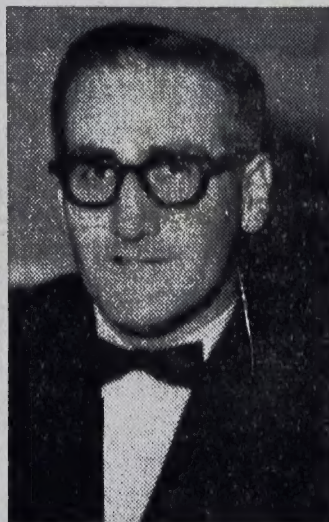

Pictured above is little Miss Janine Austin who presented Roses to Carnival Queen Christine Swanton. Princess are (left) Louise Pritchard and Derenda Hewitt.

WARD SEELEY RESIGNS

Mr. Ward Seeley who has been Administrator at Hyland Crest Senior Citizens' Home here in Minden, handed his resignation to the Board of Management at a meeting on Friday, February 6th.

Mr. Seeley told the Progress, his resignation was made due to his wife's poor health.

He has accepted the position

Mr Ward Seeley

as Administrator of Gildwood Villa in Toronto, which is a 170 bed nursing home.

Mr. Seeley came to Minden in December 1968 and took over as Administrator from Mr. James Wade.

Mr. Seeley said he enjoyed Minden and the Highlands, and leaves fond memories behind. He said his wife was unable to make the move to Minden, due to her illness.

CARNARVON HOUSE LEVELLED BY FIRE

A fire at the residence of Harold Mercer of Carnarvon, that originated in an upstairs bedroom completely destroyed the two storey house, Sunday.

Minden fire department reported the fire was first spotted in an upstairs bedroom. It is reported that Mrs. Mercer made an attempt to put out the flames, but was unsuccessful and the Fire department from here was called to the scene.

MINDEN AGRICULTURAL SOCIETY HELD ANNUAL MEETING — ELECTED OFFICERS

The Minden Fair Board met recently for their Annual Meeting in St. Paul's Anglican Church, Parish Hall, Minden, with a delicious turkey supper for the executive and workers. The public were invited to attend the Annual Meeting.

Due to the absence of the President, Mr. Les Prentice through illness, the 1st. Vice President, Mr. Mervin Gilbert, was in the chair and capably conducted the business.

The Annual report was given by the Secretary-Treasurer, Mrs. G. Lytle which showed the year had been a success in many ways. Very brief reports were made by other chairmen of committees.

The 1970 election followed with Les Prentice as President, Mervin Gilbert 1st. Vice President and Robert Young as 2nd. Vice President. The Directors are as follows: Roy Brohm, Wm. Dugan, Earl Hewitt, Howard Higgins, Mike Jackson, Vinton Loucks, Lyle McKnight, Fred Wright and Mrs. Alex Taylor.

The lady Directors are as follows:

Mesdames Jim Burke, Joe Dollo, Wm. Dugan, Pat Harrington, Roy Hughes, Holly Kernohan, Irene Moore and Mrs. Robert Young. The associate Directors are: Mesdames Jas. Hatkoski, Robt Krick, Messrs. Charles Brandon, Harold Coulter, Don Finn, Phil Graham, Roy Hughes, Roly Hurley, Robert Krick, Clarence McInerney, Sinc Nesbitt, Lawrence Pritchard and Elgin Stouffer.

The Agricultural Society wishes to thank the many donors for their help. All citizens of Haliburton County, especially the many tourists who live or visit in the Highlands are welcome to compete in the innumerable events.

The \$2.00 fee covers membership and admission to the grounds. For further information as to prize list etc. write Mrs. G. Lytle, Box 37, Minden. Plan now to come and participate in the Fair. You'll be glad you did.

THURSDAY SMILE

Today's youth doesn't have to work as hard as his parents did because they did.

Highway 35

200' on Highway 35 approximately 13 miles North of Minden, overlooking Hall's Lake. The lot is level, nicely treed with approximately 150' in depth.

Price \$5500.00

Gull River Lots

Excellent cottage lots on this popular river, with access to Gull Lake offering miles of boating. Level lots, treed with 100' frontage. Low down payments.

Price \$2500.00

HERE AND THERE

with Fenwick Finch

Since I have been hospitalized and house-bound for the last eight or nine weeks I haven't been able to come up with much outside material. However as I sat around pondering on the futility of

life I began to think of a subject which has almost become a lost art. I kept remembering the number of times and places that I have been in public washrooms and, as I looked around the walls it suddenly struck me — "they were of a pristine white, not one quotation written there". You know what I mean, "Kilroy was here" or the time-honored favourite, "A man's ambition must be small, to write his name on a S... house wall." The horror of the fact struck me, the younger generation are missing their greatest source of education. No "graffiti" to educate them. For the sake of the uninitiated, the dictionary refers to "graffiti," as inscriptions, figures scratched on rocks, walls etc., etc."

The only thing I can see for it is that technocracy has beaten the would-be authors, for the type of material they use on walls now won't take a ballpoint pen (at least mine wouldn't work) so, unless a felt tipped pen is the answer we may well have seen the last of a great art.

Years ago, (not too far back though) when you drove through the Highlands various rock cuttings were marked with, "Helen and Joe" and a heart, or just some initials with the date painted. The amazing part of all this particular kind of work was the location of some of the writing — many a time I have stopped and tried to figure out just how the writer was able to get in the necessary position to come up with the writing.

You can all remember the number of rocks that carried the inscription, "Jesus Saves" — I remember one rock cut below Dorset that carried this inscription and right below it someone had added. "Not on my salary he couldn't".

There is one thing that always amazed me about this "wall writing" the authors are never seen doing the writing — the writing is there but there is no way of figuring out who's done it. They are an anonymous group. When you think of the number of wash-room walls, telephone booths, billboards, fences, etc. that are used you'd think someone would see the work being done. No place is safe, in past years I've seen writings on Church walls, schools, restrooms in Courthouses, jails, etc., etc.

The writings are wide and varied and sometimes show a great deal of skill and imagination. You've seen some of the following — a sign in front of a Church said, 'Come in — we will lift your Faith,' on the wall of the house next door someone had written, 'Come in HERE, we'll lift more than your Faith'.

One restaurant used to keep painting the Graffiti out — they had just finished one paint job when the next morning the following was on the wall. "The Painter's work has been in vain, The Phantom Writer strikes again."

One more before we close, I remember during the war going into a restaurant in Kingston and just above the urinal was this admonition. "In the case of an air raid, hide under here, it's the safest place, it's never been hit yet."

Think back, you may remember some of your experiences. If we can print 'em, let me know.

Well, that's it for this week, much ado about nothing. Drive carefully so that if "graffiti" begins to show a signs of a come-back, you'll be here to enjoy it."

NEW FRUIT WINES

NOW ON MARKET

Fruits other than grapes can be processed as crackling wines — wines with just a suggestion of effervescence, caused by the presence of carbon dioxide gas in the wine.

Mr. R. F. Crowther, Horticultural Products Laboratory, Vineland, has been working with standard and new varieties of fruit for the last 10 years.

He has found that these fruits have a lower sugar content than grapes. Some fruits are high in acid, and have little juice, and modifications are necessary to produce wines. These modifications are necessary to produce wines. These modifications might include the addition of sugar and or alcohol; a yeast stimulant (di-basic ammonium phosphate), and a pectic enzyme to help in the extraction of juice and the clarification of the wine.

Firm, ripe fruits are used; a skin fermentation, for stone fruits and berries, like cherry and strawberry; and a juice fermentation, using only pressed juice, such as apple.

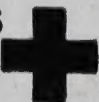

The effervescence can be produced by either of two procedures. In one method, yeast and a calculated amount of sugar are added to a measured amount of wine. The mixture is placed in a sealed bottle and the fermentation allowed to proceed to conclusion. The second method involves the addition of carbon dioxide to the finished or fermented wine.

Both methods of carbonation can result in dangerous explosions through miscalculations.

During 1969 standard and new varieties of fruit wines were processed as crackling wines. The newer varieties of fruit have additional modifications to the standard varieties and will be traded during 1970.

The wines are rated by members of the Horticultural Products Laboratory staff, Ontario wineries, and the Liquor Control Board of Ontario. Some of these "crackling" fruit wines and grape wines are available on the market.

GREAT ORGANIZATION

My sons asked me this week what I do at Rotary, and why I have to go each week. I took a few minutes to collect my thoughts. I knew I couldn't go into all the phases of Rotary, but I did tell them some of the things the club does for the community and people in the community. In other words I explained how we spent our money. When you look at just some of the ways the money is spent, and what it adds up to, you can appreciate what a great organization it really is.

The first thing I told them was the satisfying experience our club had this week. On Monday evening we had a young lad, 17 years of age at our meeting. This youth up until this month was almost totally deaf, then Rotary took on the task of providing help for this student here in our County. The Club first made arrangements for this boy to have a complete examination to see if an operation could restore his hearing. When it was known that no operation could help, the Club on the advice of specialists purchased hearing aids for both ears at a cost of \$500. The cost was more than justified when at our meeting this week the boy could hear the discussions at hand.

Like all little fellows, my boys asked, "what else do you do?" So I went on to tell them some of the other projects the Club has done. The second one that came to mind, was the generous donation that Rotary made to Minden Minor Hockey this year. The Club donated three hundred dollars cash, which went into equipment, and ice time, as well as a complete set of uniforms for the Midgets, which ran the Club another \$150.00. This doesn't cover the hundreds of dollars spent each year in the past.

Another project the club has undertaken has been the donation of \$10,000 towards the new Community Centre, which will be constructed in Minden in the near future.

I went on to explain that the Rotary Club has helped two families this winter who have lost their home and belongings through fire.

Another project has been the student loan fund, which the club has had for the past ten years. This fund has helped 24 students get greater education, and has used some \$15,000 at an interest rate of only 1 per cent. One can not imagine the help this has been to the students involved.

At the Clubs last Directors meeting it was tentatively passed that the Rotary Club would donate a sizeable sum to the Red Cross Association here in Minden to help them with their renovations.

It was easy to see that my boys were somewhat impressed with the help Rotary gives to the community. Rotary has never stopped impressing me with their many functions, in which those mentioned above are only a few.

DOLLARS AND GOOD SENSE

by William J. Martin

This column is a regular feature prepared by the Family Financial Counseling Service of the Avco Delta Corp., P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered in print or by mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

Sometimes I receive letters from readers who don't have a question about money management but who comment on certain aspects of the column. I was happy to receive such a letter from an interior decorator. Here's what she said in part:

"I just came across your pamphlet, 'When, Where and How to Save on Furniture.' Because of my experience in the furniture world, I was most interested and impressed that someone had taken the initiative to ascertain and publish such practical information for public use."

Mrs. O. W.

Naturally, I was pleased to get this letter and delighted to know that a professional person such as Mrs. W. thinks our brochure is good.

So, I pulled out a copy of the brochure and started leafing through it. I remember some things I wanted to mention in a previous column on furniture buying, but couldn't because there wasn't sufficient space in the column.

With wood furniture, the booklet suggests, push and rock the piece. Don't be afraid. You'll show up signs of instability that will only worsen with time. Check drawer action carefully for smoothness and fit. And incidentally, better furniture has drawers on slides for runners. Also note the inside of the drawer. If it's finished, it's a good quality clue.

Remember the old "kick-the-tire" routine when shopping for

a used car? Well, I don't suggest kicking furniture as an ultimate test but I do recommend that you try it out. Sit on it. Even bounce on it (but not too vigorously in front of the salesman). Make sure it's comfortable. If it's upholstered, remember that the piece of furniture is going to be sat on, upon or in so make certain it's proportioned right for you and other members of the family who'll be using it. Also check to see how the fabric patterns match at all seams — front and back. This is a good indication of overall craftsmanship.

These are just several of the many hints contained in this little booklet. If you would like a copy, just write me at the above address. Remember that unplanned impulse purchases can be the greatest waste of your furniture dollars. Get exactly what you want at the best price possible when sales, special purchases and discounts arise. Timing is your best weapon in the savings arsenal. Use it!

The winners are holding silver trays and pitchers, also donated by Hiram Walker.

MINDEN O.P.P. EVEN SCORE WITH FORESTERS IN BROOMBALL

The O.P.P. Broomball squad goals, followed by Joe Watson, were in line form this past week, Barry Connelly and Paul Warb showing some good ball control with singles. For the outplayed Department of Lands and Forests, it was Ross Forest team 6 to 3. Watburton with two and David Sisson with one. The first star of the game was Tom Boice of the OPP with three. Honourable mention goes to

Corp. Baker, who completely confused the Foresters with his defensive maneuvers. This series is now tied at one game each. The saw-off should be played in the very near future.

SNOW AND ICE CONDITIONS

Our Minden and Gooderham Chief Ranger Offices report that the ice on the northern lakes is from 12 to 20 inches thick with some snow covered and slush covered sections.

The snow depths in the bush are reported by the field offices as follows: Minden 17.3" deep, Gooderham 18.9" deep, Haliburton 18.2" deep

MINDEN OPP INVESTIGATE HIT AND RUN ACCIDENT

Minden OPP are investigating a hit and run accident at Gooderham that took place at 8 p.m. last Thursday. A parked car owned by Kenneth Graham of Gooderham received \$150 damage.

**RED CROSS SERVES YOU
EVERY STEP OF THE WAY**

MINDEN MINOR HOCKEY NEWS

This weeks action on the Minor Hockey front got three of our teams in the play offs. The Novice B team had the tough luck of not making the play offs, while the Mighty Mites will wait until next week before advancing into play offs with Fenelon Falls.

The Mites had plenty of action over the weekend, playing four games. Two were schedule games in which they won, winning the league title with an undefeated record of nine wins and a tie.

The Mites downed Fenelon Falls Friday evening in Fenelon 2 to 1. Scoring for Minden was Paul McKenzie and Garry Harrison.

On Sunday afternoon they finished their schedule with an impressive 7 to 0 win over Bobcaygeon. Scoring in this game was Paul McKenzie with four goals, and Cory Coneybeare, Corey Walker and Roger Hicks with singles. Young Mike Clark registered his fourth shutout of the season.

On Saturday the Mites played in a tournament in Woodville. This was their first one day tournament, and everyone had a good time. Eight teams were entered, with Beaverton winning the trophy.

The Minden Mites played Cannington in the first round and won 5 to 2. They faced the Beaverton Club in the second round and lost 6 to 3. The teams were very even, except for the great hockey ability of Basil McCrae of Beaverton, this boy scored 23 goals that day. Keep that name in mind — he looks like a sure bet. At present he plays on three teams, Mites, Novice and Pee Wees. Incidentally he scored 5 of the 6 goals against Minden.

The Midgets played in Sundridge on Saturday night in their first game of the play offs, and went down to defeat 11 to 5. However from all reports the locals have a good chance of beating Sundridge when they play their second game back here on Friday, February 13th. Game time is slated for 8 p.m.

Scoring for Minden in Sundridge was Jeff Campbell with two goals, Leigh Bull, Bob Arbuthnot and Wayne Harrison with singles. Bull, Miller, Campbell, Harrison and Arbuthnot gained assists.

The high-flying Bantams scored a convincing win over Kinmount Monday night 8 to 1 to take a game lead in their best of three play offs.

Kirk Hewitt, Bill Jackson and John Welch were the big guns up front each scoring twice, while Wayne Harrison, David Hicks, picked up singles. Bill Jackson's first goal was scored on the first penalty shot Minden has had this year.

Coach Gene Whitney expects that this series will be over after their game in Kinmount Wednesday night (last night Feb. 11th.). Their next opposition will not be known until next week.

In Novice A playdowns, Fenelon Falls scored a victory over Minden 4 to 0 in their first game of the best of three series. Fenelon will be back in Minden on Thursday, February 12th (tonight). Game time is 7 p.m. Lets get out and support this team, with a little support they could easily take Fenelon in this game.

There are many reasons why you should deal with an **INDEPENDENT INSURANCE AGENT.**

1. We represent strong **CANADIAN** Companies.

LINDSAY PRESBYTERIAL UCW

HELD EXECUTIVE MEETING

The first 1970 executive meeting of Lindsay Presbyterian United Church Women was held at Fenelon Falls United Church on Monday, February 2 with 29 present, 13 members of the executive were in attendance. Fenelon Falls ladies welcomed everyone with a cup of coffee on their arrival.

Mrs. Bursey, the new president, presided and started the morning session with a poem called, Opening Things, followed by prayer.

Mrs. Hopkins read the roll call and the minutes of the last meeting.

A discussion answered as to whether the U.C.W. presidents, attending the executive meetings, remain as corresponding members or be voting members. It was decided to defer a decision until the next executive meeting, because so few UCW presidents were present.

Mrs. Palmer read the treasurers report for Mrs. Coburn who was unable to attend. Balance on hand at the end of 1969 was \$446.40.

The Bay of Quinte Conference UOW annual meeting will be held at Colborne on March 2. The delegates to attend will be Mrs. Bursey and 6 Regional chairmen or their alternates. The names of those attending to be sent to Mrs. J. A. Robertson, Haliburton, as soon as possible. Other UCW members may attend.

Following grace by Mrs. Bursey a box lunch and social hour was enjoyed by all. Tea and coffee were served by the host church ladies.

The afternoon session was opened with a meditation entitled, Make Every Day a Good Day, read by Mrs. Bursey.

Dates were set for Regional Rallies, they are as follows: Region 1 at Little Britain in the spring, chairman Mrs. Mark Corneil, Little Britain.

Region 2 at Beaverton in the fall, chairman Mrs. Harry Graham, Cannington.

Region 3 at Cambray in the spring, Chairman, Miss Olive Geach, Lindsay.

Region 4 at Kinmount in the spring, chairman Mrs. B. Roeske, Burnt River.

Region 5 at Yelverton in the fall, chairman Mrs. J. Barrett, Fenelon Falls.

Region 6 at Gooderham in the fall, chairman Mrs. Cleo Cruickshank, Wilberforce.

Vice Presidents to assist Regions are: Mrs. A. Gillis, Cameron, Region 1 and 5. Mrs. R. Harding, Cameron Region 2 and 3. Mrs. B. Roeske Burnt River, Regions 4 and 6.

ABOUT THE TOWN

With Jeanne Sears

We noted on a T.V. programme the other night a discussion by a doctor against the use of the Pill. The book which the M.C. had read was frightening as in some cases cancer was a side effect. Apparently there was no study regarding after effects just its effectiveness against pregnancy. Perhaps doctors should mention these side effects to persons using the Pill.

The Bell workers are busy around the village putting in different services. Many persons may be getting the new contemporary set in a different color. One day last week we noted no less than five service trucks on main street.

Hint of the week — If you are painting this spring glue a paper plate larger than the can, to the bottom of it, seems to catch the drip.

There was a large crowd in attendance at the funeral of the late Allan Hewitt last Saturday. Sincere sympathy of the village to the family and friends.

The A.C.W. had a large crowd at their card party at the Parish Hall last Wednesday with winners being for bridge Helen and Frank Buttitor, for cribbage Dora Dawson and Douglas McGee and for euchre Gordon Kellett and Minnie low (on a cut) and lone hand Flo Dollo (on a cut). After the evening of games all enjoyed a delicious lunch and cup of tea served by the committee.

Do you think this is true? Baloney is flatter, it cannot be true and blarney is flatter so then we like it. Fulton J. Sheen.

Patients at the local hospital early this week (Monday) included Etta Thomas, Ruth Hirstwood, Bill Smith, Mrs. Gale Davis, Mrs. Phylis Sisson and baby girl and Mrs. Ray Emmerson and baby girl, the latter baby being the first one born here in this hospital in 1970.

Another person passed away in the person of Miss Lottie Hawkins and the funeral was Monday, with sincere sympathy going to her friends.

Could this be a possible record? Perhaps not worthy of any or scant recognition. A local long time resident now 71 years of age has accomplished the following work. In 1967 unassisted he cut, split, sold and delivered locally 130 cords of fuel wood; in 1968, 77 cords and 1969, 100 cords plus some logs and pulpwood.

Vinton Loucks is the resident and reports not one sale was solicited. One of his sons is a professor in Forest Ecology in Wisconsin. Is Forestry a main project in this family?

Then there was the little boy who said, when asked, what kind of dog he had, "half male and half air-male."

If you are wondering why your bowling leagues standing is not in the paper there is one reason only. No one is turning them in. If someone from your league hand in the scores etc., on Mondays, then Al will be only too happy to print them.

Again another week without too much snow, though it has been cold and then milder over the weekend again.

Cheerio until next week.

MINUTES OF COUNCIL MEETING TOWNSHIP OF STANHOPE

Moved by Ken Whitney, seconded by P. Richardson, that Jim Harrison be added to the Road Committee to deal with problems on hand.

Moved by Ken Whitney, seconded by Jim Harrison, that Donald Finn BA be instructed to draw up an expropriation by-law for that portion of Highland Road as shown on a plan of survey by H. Curry Bishop OLS on December 11th, 1968.

Moved by P. Richardson, seconded by Ken Whitney, that Stanhope Township concurs with the resolution from the Dysart et al Council in regard to the payment of instalments to the Haliburton County Board of Education levy, as required in Bill 240 Section 37(1c).

Moved by Ken Whitney, seconded by Jim Harrison, that Stanhope Council donate \$25.00 in support and to aid upkeep of the recreational rink at West Guilford, as a large majority of children from Stanhope Area use the facilities.

Moved by Ken Whitney, seconded by P. Richardson, that the clerk write the Surveyor General to establish the description for that portion of the open line lying between lots 10 and 11 Concession 9, Stanhope.

Moved by P. Richardson, seconded by Jim Elder, that we petition the Department of Highways of Ontario for the Statutory subsidy grant under the Highway Improvement Act, on the total expenditure on roads for 1969.

Moved by Ken Whitney, seconded by Jim Harrison, that an ad be placed by Stanhope Council for donations or on a loan basis interesting Antiques or pieces of interest to the public as Museum pieces, and that the response shall determine whether the idea of the old Council Chambers at the west end of Beech Lake shall be used as a Museum for Stanhope Area and Tourist attraction.

Moved by P. Richardson, seconded by Jim Elder, that we notify the Department of Public Works that we will maintain the road to the Ramp and Parking Lot at Big Hawk Lake.

Moved by Ken Whitney, seconded by Jim Harrison, that the Department of Highways be contacted and asked to erect a Finger Board at the corner of Highway 530 and the 30th Line Stanhope, to read as follows: "Stanhope Airport".

Moved by Jim Elder, seconded by Jim Harrison, be it resolved that the next Council meeting will be held Monday, the 9th day of March at 9 a.m. Also this meeting will be a Court of Revision, starting at 9 a.m.

Moved by Jim Harrison, seconded by Ken Whitney, that the ac-

count's amounting to \$155.38, January relief \$436.00, and No. 1 Road Voucher \$3,244.64 be allowed for payment.

By-Law No. 70-2 for the purpose of expending the sum of \$57,000. under the Highway Improvement Act.

By-Law No 70-3 being a supplementary by-law in the amount of \$81,000. for bridge purposes

\$73,000. other \$8,000.

By-Law No 70-4 for the purpose of closing a portion of the side line between Lots 10 and 11 Concession 9.

Was passed Signed and sealed except No. 70-4 which only received two readings.

Moved by Jim Harrison, seconded by Ken Whitney, that the meeting adjourn at 5.45 p.m. until the 9th day of March, unless called sooner by the Reeve.

All motions were carried.

TODAY'S CHILD

BY HELEN ALLEN

Toronto Telegram Syndicate

It's hard to believe Tony is only five months old. His alert expression suggests a much older child.

This handsome little boy is half Spanish-Negro. Not much is known about the other half of his ancestry except that it is white.

Tony is a big boy and very strong. Those lovely big eyes are dark blue and he has medium brown hair and clear, fair skin. Tony is a very responsive baby. He welcomes attention with happy coos and he's full of smiles and contented little sounds. He is very aware of his surroundings, obviously enjoying watching any kind of movement. He is in good health.

This baby needs parents who will enjoy a bright little son and will appreciate his background.

To inquire about adopting Tony please write to Today's Child, Department of Social and Family Services, Parliament Buildings, Toronto 182. For general adoption information ask your Children's Aid Society.

LUCKY GENTLEMEN - SURROUNDED BY CARNIVAL LOVELIES

Pictured above surrounded by pretty young girls who entered the Carnival Queen Contest a week ago are Don Goodwin on the left, from the Department of Tourism and Information and Sgt. Wood of the Minden O.P.P. Detachment. These gentlemen presented the Minden Progress Trophies to the Carnival Queen, Christine Swanton, pictured on the right. This picture was taken before the judging took place.

LEONARD SALVATORI ELECTED CHAIRMAN OF HALIBURTON COUNTY BOARD OF EDUCATION - 1970

At their first meeting for the new year, the members of the Haliburton County Board of Education regrettably accepted the resignation of the Chairman, Mr. Keith Hill. Mr. Hill stated that it had indeed been a great honour to have been Chairman of the Board during its inaugural year, but felt that he should make room for someone else to gain the invaluable experience possible during the second year.

Mr. Leonard Salvatori, member for Dysart et al, was then elected to this position for the year 1970. Mr. Salvatori was a member of the former Dysart School Board for 6 years and chairman of that board for the last three years of its operation. He has also been

vice-chairman of the present board, of the past year. Mr. Salvatori is married to the former Betty Bush, and they have two children enrolled in the school system, as well as one pre-school aged child.

Mr. Norman Gilmore, member for Lutterworth, was elected to the position of Vice-Chairman for the year 1970. Mr. Gilmore has a son and a daughter attending the Haliburton Highlands Secondary School. He served on the Lutterworth School Board and upon its amalgamation with the Minden Board, continued to represent that township as a Trustee.

Should it be necessary to close the schools in this County, due to bad road conditions, etc., it will

be announced on the Peterborough and Lindsay radio stations, as early in the morning as possible.

Plans have now been completed for the addition to the Archie Stouffer Public School in Minden and the architects are now ready to advertise for tenders. Also, plans are being developed for the new Haliburton Highlands Senior Elementary School, in Haliburton, and are nearing the Sketch Plan stage.

FOUR DEER YARDING AREAS GET IMPROVEMENT WORK

This week the Department of Lands and forests will begin improvement work in the Nogies Creek ledge deer yard in Harvey township, Peterborough county, reports biologist S. J. Toole.

This is one of the four major yarding areas in the Lindsay district, and although conditions so far this winter have been mild, many deer are already using it.

Recent snowfalls will doubtless see more deer crowding into the cedar cover areas there, noted Mr. Toole.

Hardwood browse that is within reach of deer around these cover areas is quite scarce. The work to be done will provide a fresh, continuing supply of hardwood buds and tender shoots for the deer for this and several winters to come.

Similar work is well under way in Chandos township. Already this year projects have been completed in Cavendish township, in Peterborough county, and Cardiff and Harburn townships in Haliburton county.

Now that the CBC Times has gone, everybody's asking: Where do we find out about radio? Where else, but on radio itself, in a new program The One Ninety-Five Special Sundays, beginning February 15. It'll feature not only highlights of upcoming programs but will also attempt to explain CBC radio is doing and the reasons for doing it.

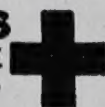

There'll be behind-the-scenes glimpses of the personalities, producers, planners and policy-makers, plus a miscellany of interviews, audience reaction (and involvement) and contributions from the regions on programs originating from different parts of the country. Host for the new series will be Warren Davis, seen each night on CBC-TV's National News. The kick-off, Feb. 15, will have an interview with Eugene Hallman, CBC vice-president and general manager.

At present it seems the World Boxing Association and various American state boxing commissions don't agree on who qualifies as the World Heavyweight Boxing champ. The picture should be cleared up on February 16 when Joe Frazier meets Jimmy Ellis in New York's Madison Square Garden. The winner will be declared the new champ, recognized, it is hoped, by everybody. CBC radio has exclusive Canadian broadcast rights to the fight. Don Chevrier gives the blow-by-blow commentary and Fred Sgambati will provide color and between-rounds highlights.

Professional athletes come in for discussion February 18 on Ideas Network. Writer and former Winnipeg Blue Bomber Jack Hutchinson interviews Mel Profit of the Toronto Argonauts and Pierre Pilote, formerly with the Chicago Black Hawks and the Toronto Maple Leafs. Runner Bruce Kidd joins them and harshly criticizes the working conditions for the pros.

Remember the boy from Ottawa who made a hit with his song Diana a few years back? On one of his rare trips back to Canada, Paul Anka was recorded in concert at the Cave Theatre Restaurant in Vancouver. He's heard singing many of his own compositions, and in interview on CBC Showcase, February 15.
